

# Strip of the Month (SOM) Program for 2019-2020

## Strip Three A - 4 Colour Peaks

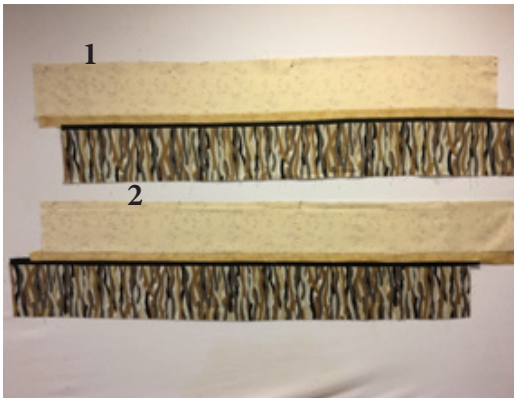

This 4 colour strip of various widths will be cut into angled strips and sewn back together to resemble mountains. Finished Size @ 40 - 42 inches wide by 8 - 9 inches deep. All seams 1/4 inch.

### Cutting Chart

- Fabric A (which will be at the top of the strip) Cut two 5 inch strips by WOF (Width of Fabric)  
Fabric B (a contrast strip) Cut two 7/8 inch strips by WOF  
Fabric C (a second contrast strip. If fabric B is light, make fabric C dark) Cut two 1 1/4 inch strips by WOF  
Fabric D (which will be at the bottom of the strip) Cut two 5 inch strips by WOF

### Sewing and Slicing Instructions

1. Using one of each of the 4 coloured fabric strips, stitch together to create one larger strip set. Sew in an offset manner (see diagram 1 at left) creating **Strip Set 1**. Press seams towards Fabric A.

2. Using the rest of the 4 coloured fabric strips, offset in the other direction and stitch together to create a mirror image of the first strip set (see diagram 2 at left) creating **Strip Set 2**. Press seams toward Fabric D.

3 a). Using a ruler with a 45 degree angle line, slice **Strip Set 1** into the following widths. See diagram 3 at left.

**Hint: Label Segments A-F.**

- (A) 2 3/4 inch (B) 2 3/4 inch (C) 4 inch  
(D) 4 7/8 inch (E) 3 inch (F) 4 3/8 inch

3 b). Using a ruler with a 45 degree angle line, slice **Strip Set 2** into the following widths. See diagram 3

**Hint: Label Segments A-F.**

- (A) 4 3/8 inch (B) 2 3/4 inch (C) 3 inch  
(D) 3 1/2 inch (E) 3 7/8 inch (F) 4 3/4 inch

Finishing - See Next Page

## Finishing

4. Stitch together A segments matching seams at the contrast strips. Repeat for segments B, C, D, E and F. Join in sequence A - F to create the wide strip. **Hint: If you have fabric left from steps 2 and 3, you can slice more segments and make your finished strip wider.**
5. Trim the edges to create your finished strip. See lines in diagram below.
