

Strip of the Month (SOM) Program for 2019-2020

Strips Four (Dec 2019) 2 Filler Strips

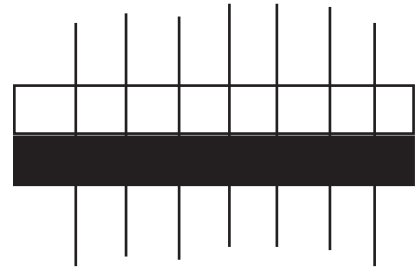

Filler Strip A- Checkerboard

This filler strip of contrasting colours is easy and finishes about 42 inches wide x 5 inches deep- (before optional finishing strip is added) All seams 1/4 inch (finished width dependant on your WOF) Cut two pieces 2.75" x WOF (Width of Fabric) in each colour. Sew together two sets as below:

Press well, then cut both pieces above into 2.75" segments.

Reverse every second segment and re-assemble to form an alternating band for checkerboard effect.

Finishing strip on top and bottom is optional. Cut at 1.75 inches x WOF.

Filler Strip B - Alternating

This two coloured strip consists of 3 strips of fabric that will be sewn together, then sliced. The segments are rotated and re-assembled to form a simple alternating pattern. Finished width @ 42 inches by 5.5 inches deep.

Cutting Chart

Strips A and C are made using the same fabric, and Strip B is a contrast fabric

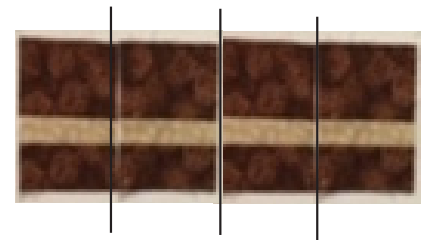

Strip A: 3 ¼ inches x WOF (Width of Fabric)

Strip C: (using same fabric as strip A) 2 ½ inches x WOF

Strip B: (contrasting colour) 1 ½ inch x WOF

Sewing and Slicing Instructions

1. Sew strips together in alphabetical sequence: A+B+C.
Press away from centre strip.
2. Cut into 5 inch segments
3. Reverse every second segment, match interlocking seams and sew back together

Finishing

Additional edge strips will be sewn onto this filler strip, but suggest you wait until the final assembly to decide colour and size of the edge strips.
