

Side Borders	
Length of side borders	
Subtract: Length of quilt centre	
Equals	
Divide by 2 (finished width)	
Add 1/2" for seam allowance	0.5
Cut coping strip to this width:	
Sew to top and bottom edges of quilt centre	
Top/Bottom Borders	
Length of top/bottom borders	
Subtract: Length of quilt centre	
Equals	
Divide by 2 (finished width)	
Add 1/2" for seam allowance	0.5
Cut coping strip to this width:	
Sew to the sides of the quilt centre	
<p>Note: A coping border can have as many strips as you would like. Decide how to allocate the finished width among the strips. For each strip, add 1/2" seam allowance.</p>
