

INTRODUCING- THE CHALLENGE OF THE MONTH (COM)

These last 2 years have certainly been a challenge for the whole world. After all this time spent largely at home, you may be feeling energized and enriched by having more time to just play, or you may be feeling a bit stuck in a rut (that's me). In either case, we have a plan that we hope will excite you.

Why Do a Challenge?

- To shake your brain out of a rut
- It's fun
- It makes you try something new
- It gives you a sense of accomplishment
- It's interesting to see how others interpret the challenge

What are the Rules?

- Don't stress! Have fun!
- Carry out each challenge by making the block suggested each month- or- choose your own block.
- Make each as an orphan block, or make them into a scrappy quilt, table runner, placemat, rugmug.... the choice is totally yours.
- If you want to make them for Community Outreach, think about making them all the same size- 12 ½ unfinished is a good size.
- Bring your block to the next meeting to display and enter for the prize draw. If you are attending virtually, send a picture to Judy Eckhardt by Tuesday noon before each meeting and we will enter your name in the draw.

We Challenge you to give it a try!
