

THE GRAND QUILT GUILD
PROJECT ROW OF THE MONTH

2024 – 2025

Introduction:

Welcome to the row of the month quilt project. This project is a combination of a “block of the month”, and “a mystery quilt”, and will also incorporate some basic techniques.

There will be approximately 6 – 7 rows with some ideas for inter row sashing thrown in for fun.

The rows will offer different techniques: straight piecing, curved piecing, applique, both foundation and English paper piecing, and whatever else we can think of!!

Instructions and fabric requirements will be given for 1 (one) block. Most blocks will be 6” finished, 6 ½” unfinished.

This is a great opportunity to delve into your stash, using as many fabrics as your stash allows.

If you wish a more consistent background allow at least 2 – 2 ½ yards of fabric.

The only other requirement would be a sense of adventure!!!

**BRING YOUR COMPLETED ROW TO THE NEXT MONTH’S
GUILD MEETING.**
