

SAVE THE DATES- OCT. 24-25

GLOBAL QUILT CONNECTION SAMPLER PLATTER

Mark your calendars so you don't miss this exciting event, coming to a computer near you.

Twenty of the world's best quilters will be coming to your home in back to back quilt demos supported by PDF handouts from each presenter. Our guild has purchased your ticket so you can take part in this wonderful

opportunity. The demos are between 3:00 and 6:00 each day, but you can also watch them later, for 2 additional weeks.

You will receive the link by email from our guild, and all you have to do is go to that link to view and learn and enjoy. Whether you are an experienced quilter or brand new, you will learn from these tutorials. We will be asking you at the November meeting to see how many members took advantage of this opportunity.
